

# Sean Thomas

---

## Teacher Profile

### Nationality

American

### Professional Experience

Sean has been an English instructor for 18 years and in Thailand since 1994 where he's taught business English for the top language schools in Thailand.

He has taught all aspects of business English and general conversation. He is also a seasoned corporate language consultant for Thai 'blue chip' corporations which includes preparing reports, updating websites, and creating PowerPoint presentations.

Sean specializes in English language proficiency tests preparation and has extensive experience in coaching students in the successful completion of BULATS and other leading proficiency tests.

He is a certified BULATS Speaking and Writing examiner and has marked over 2,000 BULATS exams.

Currently, he is the Senior BULATS A1 Prep Course instructor at Vantage Siam with a proven track record in boosting the confidence of candidates intending to pass the A1 level required by the UKBA to obtain a Settlement Visa.

Sean has a results-orientated, creative, pragmatic and methodical approach and is highly sought after as an instructor and tutor.

# Ryan P. Cullen

---

## Teacher Profile

### Nationality

Dual American and Thai Nationality

### Professional Experience

Ryan has been an English teacher in Bangkok for over 6 years where he's taught both general and business English for leading language schools and at Thai universities.

Ryan has extensive, successful experience in coaching students in the computer mechanics of test preparation. He has taught aspects of English and conversation. Ryan delivers his training in both Thai and in English.

He has a proven track record in elevating computer skills and boosting the confidence of candidates intending to pass the A1 level required by the UKBA to obtain a Settlement Visa.

Ryan uses his native, bi-lingual training capabilities to deliver a creative, yet pragmatic, approach to learning and is highly sought after as an instructor and tutor.

The ages of his pupils range from high school and university students to adults. He experience includes providing instruction to small children experiencing their first language instruction.

Ryan is currently the Product Manager for BULATS at Vantage Siam as well as the IT instructor for the BULATS A1 Prep Course.
